CUOIO

Made in Italy

# CUOIO

"POLTRONA E DIVANI REALIZZATI, DA SAPIENTI MANI DI ARTIGIANI ITALIANI, IN PELLE CON LA PREZIOSA, RICERCATA E DIFFICILE LAVORAZIONE CAPITONNÉ CHE RICHIEDE MOLTA PAZIENZA E TANTE ORE DI LAVORO."

SEMBRA CHE IL SOSTANTIVO CHESTERFIELD FOSSE GIÀ UTILIZZATO IN INGHILTERRA NEL 1800 PER DEFINIRE UN DIVANO IN PELLE E DIVENNE POI SINONIMO DI DIVANO NEL CONTINENTE AMERICANO.

"ARMCHAIR AND SOFAS CREATED, BY PRECIOUS HANDS OF ITALIAN ARTISANS, IN LEATHER WITH THE REFINED AND DIFFICULT CAPITONNÉ TECHNIQUE THAT REQUIRES A LOT OF PATIENCE AND MANY HOURS OF WORK."

IT ALREADY SEEMS THE NAME CHESTERFIELD WAS ALREADY USED IN ENGLAND IN THE 1800S TO DEFINE A LEATHER SOFA AND THEN BECAME SYNONYMOUS WITH A SOFA ON THE AMERICAN CONTINENT.

CUOIO IS GORGEOUS IN MANY FRESH AND BRILLIANT COLORS IS IT GENUINE LEATHER OR FABRIC.

# CUOIO

Where there is a long history, there is a timeless object that wraps you in harmony.

Renewed expressive form in function, for a new seating solution.
